Every day at Wings, men and women with developmental disabilities work hard to realize their vast potential. Through generous support, we are able to provide creative post-high school educational programs and specialized job training which encourages our members to achieve new levels of social, vocational, and residential independence. They are our heroes and the reason we exist.

We are looking forward to our Annual Wings Fall Festival and Pumpkin Patch that will kick off September 24th and run Friday through Sunday each week until October 17th, 2021.

This four-weekend event will feature hayrides, food trucks, a petting zoo, inflatables, great photo opportunities, and of course, pumpkins of all shapes and sizes!

Please prayerfully consider sponsoring this unique event. Your partnership will provide our members with critical services and fulfill our vision of seeing them reach the full potential of all God created them to be. Please look over the sponsorship levels provided on the enclosed page. We will follow up soon to answer any questions you may have.

Thank you for your consideration,
